ROOF MOUNT SYSTEMS Small Bus

Wake up to bigger profits

EcoFlex 4

- 11k Btu/hr (3.2kW) for 12V cooling
- 13k Btu/hr (3.8 kW) for 24V cooling
- All electric option

EcoFlex 6

- Split unit
- 20.5k Btu/hr (6kW) cooling

EcoLine 8

- 55k Btu/hr (16kW) with cooling and heating

EcoLine 10

- 60k Btu/hr (17.5kW) cooling

EcoLine 12

- Up to 66k Btu/hr (19.3kW) cooling
- Full ducting or tri-flow partial duct

Eco353 Narrow

- Transit duty rooftop specifically designed for narrow shuttle and school bus bodies
- Brushless motors
- Serviceable from inside the vehicle
